

VIATOR VENTURE

Bangaram Island Resort Staying Package

Bangaram is an uninhabited island located 459 km from Kochi in the Arabian Sea. The island has a warm climate round the year. rainfall is limited and the temperature in the island ranges from 25 - 30 degree celsius

The island, spread over 120 acres is uninhabited except for occasional visitors from the nearby inhabited island Agatti, where the airport is situated. The island is surrounded by a sandy beach, crystal clear shallow lagoon enclosed by coral reef. It has been recognized as one of the best getaways of the world.

A matchless sense of well-being takes over and one begins to discover the graceful fishes, porcupines, parrots, puffer fishes, hermit crabs and seabirds on the vast 120 acres of lush coconut groves in Bangaram. There are numerous water sports like scuba diving, snorkeling, kayaking, glass bottomed boats, swimming, deep sea fishing and beach games like beach volleyball. The resort has multi-cuisine and seafood driven restaurant serving myriad delicacies. A well stocked bar is also available in the resort.

Bangaram is sure to offer you memories of a lifetime. While at Bangaram it will make you feel World Can Wait
